BATON ROUGE CHORUS

Oops! Catching Up

We missed the summer edition of *TIWT*, so we’re hoping to catch you up on all of our activities for the past six months.

We installed the 2024-25 Management Team in May with a fantastic group leading us forward. **Donna Hebert**-Marketing, **Cindy Stevens**-Finance, **Sherry Barron**-Director, **Cindy Wilson**-Communications, **Kristina Dodson**-Team Leader, and **Benita Reno**-Membership. They have big plans for a very bright future so look out!

In May we introduced our Adventure Trip series of rehearsals to entice guests to come along with us on our musical journey. It’s been great fun going on “vacay” with our sisters in song! Our next push is called Fall Into Colorful Harmonies. The OLLI Continuing Education program with LSU had us out for both their summer and fall kickoff rallies. It’s a great program for people ages 50+, and we’re happy to be a provider.

BATON ROUGE CHORUS continued

Our director, **Sherry Barron**, was honored to receive one of the scholarships awarded by Sweet Adelines to attend the Directors and Visual Leaders Symposium in Tulsa in July. She learned a lot and came back excited to share her knowledge with us!

Baton Rouge Chorus was very happy to have 16 of our members attend the Region 10 East Educational Workshop held in Broussard, LA in August. **Kerri Mauney** was wonderful and Prejean's Restaurant was, too! Thank you, Region 10, for giving us easier access to the educational opportunities offered with our membership!

Congratulations to **Mette Gaarde**, our newest member and terrific baritone! Also back where she belongs is former member and baritone, **Pam Hartmann**. She just couldn't stay away and we're delighted she's back!

We continued our Adventure Trip by performing for the Parkview Baptist Seniors Luncheon on September 14th. They have invited us back so we're happy to know that we entertained them. And the Tigers won that day, so that's a Win-Win! It must've been our new purple shirts!

Ahead for us this fall will be sharing our Adventure Trip during a couple more performances in the community, and then the Christmas season begins! Baton Rouge Chorus continues to move forward...No parking!

HOUSTON HORIZON CHORUS

Ramping up for the holidays

As the summer heat begins to fade, we're ramping up the excitement for our Holiday Show! Save the date for Saturday, November 23, and come join us at the Heights Church on W20th Street in Houston for a delightful **Holiday Concert and Market**. With two performance times available, there's a perfect option for everyone!

In July, we hosted our 5th Tuesday of July mini-concert. That's the last mini-concert for the year, but not the last 5th Tuesday for 2024. We're looking forward to the 29th of October where we'll be hosting a Guest Night! We'll have an array of exciting activities planned, and this is a fantastic chance to experience the camaraderie and joy that comes from being part of Houston Horizon. For any prospective members that would like to dual with us and come to International in Ohio in 2025, come along for a fun night of harmony! (And for those prospective members that will be in Kansas City - don't worry, we'll have another in early 2025!).

On the second Tuesday of every month, following our rehearsals, you'll find some of our night owls unwinding at the nearby Kirby Ice House. This new tradition is a delightful way to incorporate socializing into the evening and foster connections beyond our rehearsal time. Beyond the music and merriment, these gatherings serve as a reminder of the community we've built—one that supports and uplifts each other both on and off the stage.

We are thrilled to introduce our new member from Atlanta, **Andrea**, and to have our beloved **Sophie Lee** return after her parental leave. It has been a joy to have baby **Joseph** attend some of our rehearsals. His charming presence, often cooing in harmony with our tunes, brings smiles to everyone's faces. It's truly heartwarming to witness such a young spirit already captivated by the magic of music.

We welcomed back our three dual members with **Space City Sound** from Cleveland, OH, and we wish our four dual members with **The Woodlands Show Chorus**: **Becky**

SPARKLING CITY CHORUS

SUPPORT: "Lift and Separate"

Support is drilled into us at every rehearsal. All Sweet Adelines know this. But here at Sparkling City Chorus, we have found additional ways to lift and support each other.

One cause we support, which is near and dear to our hearts, is Breast Cancer Awareness. Each year in October, they have a 'BRA event' where the ladies decorate a bra, theme it, and enter it into a competition and silent auction. This year, we submitted 8 bras in total under the creative leadership of our own Jamie Eppler. We've also been invited to sing at this event!

We lift and support our community. We recently sang at 1st Presbyterian Church in place of their choir. Our own **Nancy Hutton** was also installed as one of the elders in that congregation. Congratulations, Nancy, and God bless you in your new position!

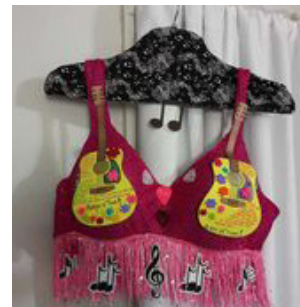

We lift & support our local eating establishments. We have been seen and heard at various locations (i.e. Bubba's Pizza and U & I Restaurant). And who doesn't enjoy eating breakfast tacos or Whataburger? Legend has it, if we go IN to eat, we SING!

We support and lift diversity. On September 24th we celebrated our friends and families by recognizing Hispanic Heritage Month. We wore our 'south of the border' outfits for rehearsal night.

We lift and support each other, as I'm certain each chorus does! At this critical time we lift up our Sweet Adeline Sisters and their families and communities in the **Supporting Our Community** path of Hurricane Helene. We lift each other in prayer no matter our beliefs. We also encourage one another by boosting confidence and teamwork, celebrating successes, and maintaining a positive attitude. We can leave our issues outside so we can concentrate on 'separating' the bad notes from the good ones. Now, as a result of 'lifting and separating' we have a more beautiful sound! Don't worry, girls! We've GOT this!

ALAMO METRO CHORUS

And just like that, it's Fall!

We hope you all enjoyed your summer as much as we did! After a short break from rehearsals, we started working on our new contest uptune, and a new ballad will follow soon. It's so exciting to learn new music! We have also been honing our skills via classes with **Ryan** and **Candice Griffith** (Lead section leader). Our membership team has been hard at work, utilizing social media and "Meet up" to attract new members. As a result, we have had many guests coming through our doors the last few months! They have also organized lunch and dinner "get togethers" several times a month at various restaurants for any members that would get to know each other better or just hang out and eat!

We have been invited to perform at a ceremony honoring the Gold Star Families this weekend. It will be our first time to participate in this event and we are humbled and honored to be included. October is shaping up to be a very busy month. Beginning October 3, we will be holding open auditions for guests to sing with us on our Holiday Show, which will be held on December 7, 2024. Later in the month, we will be having Front Row auditions with the fabulous **Becki Hine**, director of the *Song of Atlanta* chorus. The following night she will coach the chorus. We are really looking forward to learning from her! Lastly, at the end of the month, some of our members will be traveling to Kansas City for the International competition to cheer on our own *Saving Grace Quartet* and *The Woodlands Show Chorus*. We wish them all the very best of luck for amazing performances!!!

A CAPPELLA UNLIMITED CHORUS

Were not letting moss form on our vocal chords!

July • Au took a summer break, but that doesn't mean our members were not busy! The Music Team created a scope and sequence for learning several new pieces of music over the summer break so we're ready to jump into them when we return in August.

Katy Dane and **Roz Jones** attended the Barbershop Harmony Society's (BHS) annual competition held July 4-6 in Cleveland where they competed with *Sound by Southwest* mixed chorus. Later in July (26 & 27) Rising Star and Diamond Division competitions were held in Tulsa. **Meli VanNatta** attended to support *Cosmic Quartet* (with Au Member **Cheyenne Gonzalez**) as they did their bow out as 2023 Rising Star Champions. Congratulations to the 2024 winners; Rising Stars – *Radiant* and Diamond Division Champions *Bubbly*.

Also later in July BHS hosted Harmony University in Denver (7/28-8/4). Katy Dane was on the faculty. Members **Jocelyn Yanagizawa**, Roz Jones and Meli VanNatta attended.

And travel they did: **Laura DeAngelo** attended a Farmington Valley rehearsal, **Marie White** took off for her summer home in Pleasanton, Nova Scotia where she sings with *Seaside ACappella*. **Carol Roettinger** spent her summer on the family farm in much cooler Wisconsin, Katy traveled all over the place...Utah, Canada, New York, Cleveland, and Denver. The rest of us tried to stay cool in hot Texas.

August • Back in the game on August 12. We welcomed several guests and welcomed new member **Renee Chang** on August 26. We also welcomed a potential new member August 23 when Jocelyn and hubby Michael Vallee delivered little 6 lb 8 oz. Hannah Monet Vallee. **Michelle Mitchell** (quilter extraordinaire) and **Marché Marquis** (seamstress extraordinaire) presented Jocelyn with a handmade quilt and burp pads at her last rehearsal August 12.

We began planning for fall and winter performances. There's a lot on the calendar so far beginning Oct. 7 with our first performance for the residents of Westminster Austin.

We accepted SAI's "Mission Retention" first monthly challenge "Getting Back to Basics" and submitted our updated Mission, Vision and Values statements.

September • And into September's monthly challenge "Tell Me What You Want" Team Leader **Sandy Blevins** took a few minutes out of rehearsal to hand out a member survey developed by the Management Team and asked those present to complete it and turn it in. Results were delivered to chorus members a week later. A lot of good information came from the responses and the MT will be looking into how they can be implemented.

With ten (give or take) performances on our schedule, a January retreat and competition to follow Au has a busy six months ahead.

THE WOODLANDS SHOW CHORUS

Guess what we've been doing?!

Well, I bet you can already guess what The Woodlands Show Chorus has been doing since the last time we had Tune In With Ten...

That's right! The short Sweet Adeline answer... We have been PRACTICING like crazy!

It has been an amazing journey every week! **Betty Clipman** directing and coaching, **Kerri Mauney** assisting and coaching, **Janie Macchiaroli** singing and coaching, **Keturah Moller** vocal warm ups and coaching. We continue to work on being MORE: more chorus driven, more independent, more accountable and more focused on doing our best to represent Region 10 at the Kansas City International Convention.

Trying to perform at a high-level certainly is an all-in team effort. We are finding ourselves, indeed making ourselves, BE a positive piece of the puzzle, that makes TWSC a great place to sing. (Thank you, **Brenda Anderson**, for our "piece of the puzzle" team building activity and **Becky Hill** for helping us remain positive!)

What an unforgettable weekend retreat we had at the Sheraton North Houston! We were really treated well, expertly arranged by **Carin Williamson**.

September 13-15: from Friday's kickoff to Sunday's heartfelt farewell, our voices soared under the guidance of the brilliant **Peggy Gram**, (along side **Betty Clipman**) shaping our sound to perfection. We dedicated ourselves to refining every note and movement, pushing our vocal and choreo limits, all in the name of the craft we cherish so much.

That Peggy! She certainly has an uncanny ability to identify a minuscule issue and then explain how to correct it with incredible attention to detail and clarity. (example: how the meticulous placement of the letter "K" inside your mouth so it can help lift the sound. Ask a TWSC member to explain!)

Saturday night brought out the rookie skits, filled with hilarity showcasing mastery of proper English, all-in-ones, and over-the-top makeup in a celebration that had everyone laughing. By Sunday afternoon, we headed home, exhausted but filled

with new skills, memories, and a deeper love for what we do. Warm hearts, stronger voices—Together Forever.

FYI: By the time you read this, we will have had our September 30 friends and family evening. We will have performed the two semi-final songs and a package that we've prepared, just in case we get to sing again on Saturday. Thank you again region 10 for your continued support and encouragement. Last time to say: **Kansas City – Here we come!**

Even during warmups, focusing on "finding the ring" with left to right Keturah, Betty and Peggy.

Two rookies (first time on international stage with TWSC) show off their makeup and costuming skills: left to right, Patti Britz-Stensaker, Marilyn Rumsey, Christine Rosner, Deidre Harris (not pictured: Pat Gibbons and Andrea Jarvis)

Still looking sharp on Sunday afternoon after retreat. TWSC with Peggy Gram

LONE STAR CHORUS

Hello from Lone Star Chorus!

It's been an exciting season for Lone Star Chorus! Members new and old have grown together in harmony as we prepare for new opportunities to share barbershop with our community.

First, our director, **Brianna Carroll**, had an amazing time at the Directors & Visual Leaders Seminary in July, and loved getting to learn and make new connections within the SAI family.

At the beginning of August, Lone Star hosted a Treats & Tags guest night. It was a fun evening where we welcomed several visitors! Our members provided delicious treats, and we learned several barbershop tags together.

We were thrilled to have a wonderful coaching visit from **Kerri Mauney** on August 12th. She worked with us on expression, unity, and dynamics, infusing everything with her infectious enthusiasm and joy. Thank you so much, Kerri!

With the Texas summer heat at full blast, **Julie Klemm** (lead) hosted the chorus for a pool party, the perfect way to cool down, relax, and socialize together.

Lone Star Chorus was honored to be a guest at **Note-ably North Texas**' Ice Cream Social. It was so much fun to sing for and with our neighbors in Allen, TX!

We were grateful to have two successful fundraisers--first HundredX, and then North Texas Giving Day. Thank you to our members and friends who filled out surveys, shared social media posts, and donated to make it possible for us to keep singing.

Looking forward, Lone Star Chorus is getting ready for several performances, including our Christmas concert on November 15th at Hulen Street Church--'We Need a Little Christmas Now'!

TEXAS HARMONY CHORUS

Happy Fall Y'all!!

We are ready for some cooler weather and everything pumpkin spice. Summer was an exciting season for Texas Harmony and will be just as exciting the next few months.

Our Beatles Summer Series ended with a Friends and Family showcase of our Beatles repertoire. We had quite a large audience “gettin’ groovy” with us. After the performance our guests were treated with make your own ice cream sundaes. Our membership has continued to increase since the summer series ended and we are at 45 members (and counting)!! This is such an exciting time for Texas Harmony. We now have THREE new quartets that have “Come Together” to begin the exciting journey of quarteting thanks to the Summer Quartet Party hosted by one of our newer members, **Teresa**. She just so happens to live on Penny Lane. Most of the ladies in these quartets are new to Sweet Adelines and the barbershop style of singing.

At the end of August, Texas Harmony participated in the Powerful Women’s Expo at the Grapevine Convention Center. We performed and had a booth showcasing the chorus. Great connections were made, and we were well received by the attendees. September ended on a high note with Texas Harmony competing in North Texas Got Talent @ The Shops at Willow Bend. We came away with 3rd place and a cash prize!

Our next big event is our Beatles 60th Anniversary Show that will be held on October 19th. We will be performing with the Stone Glen Band from Keller, TX. Tickets can be purchased from our website, www.texasharmony.org. We would love to see you there!

A colorful poster for the "Groovin' with the Beatles" event. The poster features the Texas Harmony logo, the event title "GROOVIN' WITH THE BEATLES", and details: "LIVE MUSIC HERITAGE SENIOR CENTER 200 S JEFFERSON ST IRVING, TX 75060", "DANCING OCTOBER 19TH", "FOOD 6:30 PM", "DRINKS DOORS OPEN AT 6:00 PM", "A 60TH ANNIVERSARY TRIBUTE!", "SPECIAL GUESTS THE STONE GLEN BAND", and "TICKETS \$30 - ADULTS, \$25 - SENIORS & YETS, \$20 - CHILDREN". CHISHOLM TRAIL CHORUS

Chisholm Trail Chorus' V.I.P.'s

In the last issue of *Tune In With Ten*, we told you about a new education program that Chisholm Trail Chorus launched in June, called VIP2, or our Vocal Improvement Program (for) Very Important People. Each member receives a private session with SAI Queen and past International President, **Patty Cobb Baker**, four times/year. Patty also conducts periodic chorus coaching sessions.

Patty has visited us twice so far, and our members gush about how the program is already helping to improve their vocal skills. Shy singers are gaining self-confidence, and veteran singers are reminded that consistent practice of the fundamentals makes a huge difference to the overall sound.

JULY • our focus was on **Breathing**. We were very excited when seven visitors attended our Jingle Summer Workshop program on July 20. Basic barbershop skills were introduced, and the participants learned two winter holiday songs in one day. Two of the singers committed to attending additional rehearsals and performed on our September show.

AUGUST • our focus was on **Phonation**. We launched an online auction of items that are handmade by our members, using the free (for non-profit organizations) web platform at <https://ctsa.betterworld.org/> If you're looking for an alternative way to raise funds for your chorus, take a look at Betterworld. There are so many things you can do besides auctions, such as selling show tickets or creating crowdfunding events. Special thanks to members **Micheala Poindexter**, **Nancy Welker** and **Megan Rose** for donating their creative works to help us raise more than \$450. Keep an eye on our Facebook page for more auction items in the months to come.

SEPTEMBER • our focus was on **Resonance**. We were invited for a return visit to Hamilton, TX, to perform at a private residence (member's relatives) for a community Labor Day weekend social gathering. The audience is a delightful mix of children and adults, who always seem enraptured when we sing that first chord. In fact, several

years ago, a self-confident pre-teen asked about singing with us. Once she got a bit older, her parents were willing to drive 1.5 hours to our rehearsal hall so she could sing on the chorus show (which she did again this year.) Speaking of, our annual show was early this year (Sept. 28) so we really stepped up our game to qualify on all of our music. “An Amazon Adventure-in 4-part Harmony” was supposed to be a 3-hour boat tour of the Amazon Rainforest, but turned into an 88-day odyssey. Fortunately, our “tourists” managed to sing their way back to the dock with only a few mishaps.

NEW MEMBERS • We are delighted to add two more Sweet Adeline veterans to our risers. **Sondra Montoya** (bass) joins us from Wichita (Kansas) Chorus and **Michelle Vanecek** (baritone), former member of *Austin Harmony Chorus*, is delighted to be ringing chords again. Our new Membership Coordinator, **Janet Dyer**, really enjoys distributing brochures and fliers around our community and her team is hoping to hook us up with area high school music classes to share our barbershop craft.

Upcoming: Sheila Donahue, our chorus president and one of our assistant directors, will be competing with *The Woodlands Show Chorus* in Kansas City at the end of October. Good luck to everyone in Region 10 who will be representing us on stage! Holiday performances are right around the corner. We have already booked our slot for Santa’s arrival at our local train station/depot, where serenading children and adults is a fun treat. And Patty Cobb Baker will provide several more VIP2 coaching sessions before the end of 2024. No slowing down for us!

Quartet News

JUST US QUARTET

Greetings from JUST US Quartet!

We love to spread our love for music to area nursing homes and assisted living facilities throughout Temple, Belton, Copperas Cove and Lampasas. We recently added San Antonio to our list of repeat venues. Our most recent gathering/sing out was in conjunction with Region 10’s Educational Workshop Summer Splash West, in San Antonio last June. Since we were all at the workshop together, we took the opportunity to sing at Adante Assisted Living and Memory Care Center just a few minutes from the workshop venue. We had such a blast being their dinner entertainment and they loved our song selection and can’t wait for us to come back. We are working on a Christmas package to entertain them this December. We can’t wait to go down and sing for them once again.

Just Us sang on our chorus’ (Chisholm Trail Chorus) show September 28, *An Amazon Adventure*. We also have several sing outs scheduled for the near future. Perhaps you will catch us singing during the Salado Stroll on December 7.

Happy Singing!
