## *Hi Region 10!!*

We have exciting events on the horizon.

Fall regional will have happened by the time you get this newsletter. However, Winter regional isn't far off. Be sure to put it on your calendars, January 16-17, 2026. Yikes it's almost 2026 already!!!! Our faculty will be the fabulous **Caitlin Castelino**. Here is her bio, in case you haven't already seen it on the website. Registration is up now! You won't want to miss this weekend. It will be in Austin, at the Holiday Inn where we stayed this past spring for contest.

Caitlin Castelino is a 25-year member of Sweet Adelines and has been on the International Faculty since 2020. She is the Master 600 director of *Diablo Vista Chorus*, the 2020 Harmony Classic AA Champions and 2024 8th place International medalists, and baritone of *Love Notes*, the 2014 International Quartet Champions. Caitlin created and directs The Starlettes, the chorus comprised of past Rising Star champion quartets, and previously directed Circle 12, the Region 12 chorus comprised of past quartet champions. She has had the honor of teaching, performing, and coaching all over the world as an individual and with LoveNotes, and has been very fortunate to serve as the clinician for numerous Youth-in-Harmony events. Caitlin graduated with her Master's Degree in Speech-Language Pathology in 2012, and she brings her knowledge of the vocal mechanism, healthy voice production, and voice therapy techniques to her classes and coaching sessions to promote healthy singing in all vocalists.

You might notice she is active with our **Youth in Harmony** program, and this Winter Regional will have a youth event. **Laura DeGraw**, our Youth Coordinator, is actively working on putting this event together, and Caitlin will be working with the youth as well. While she does, we will have a SURPRISE faculty – stay tuned for more information on that!!

Can't wait to see everyone at our two upcoming events!

# HEART OF THE PINES

*What a great summer!*

What is typically a routine, summer slump became an exciting new event for the Heart of the Pines Chorus. In July we held our first summer series, A Cappella 101. We invited women in the community to join us for five rehearsals and learn two Beatles songs culminating in a Friends & Family performance. Fourteen women attended and eight performed in an energetic 60's music show. And even more exciting, five returned to audition for chorus membership... We are PUMPED!

In September one of our favorite coaches, Mary Beth McMurray, visited and worked on vocal unity with the chorus.

We are now busy preparing for our fall show, FEELIN' GROOVY. Special guest chorus is the Tyler, TX group *East Texas Men in Harmony*. The show is November 1 at the North Street Church of Christ in Nacogdoches.

# CHISHOLM TRAIL CHORUS

*We've enjoyed lots of coaching this summer and are excited about several upcoming events for our chorus.*

**August** – Two of our members, **Sheila Donahue** and **Phyllis King**, attended the Jurassic Chords Quartet Retreat powered by 2025 Queens of Harmony, **Clever Girl** in Tulsa at the beginning of August. They also cheered on R10's Diamond Division winner, **Regale Quartet** (who will be one of our guest performers at our Fall Show) and the Rising Star contestants. Sheila has since visited with **Holly Janda**, baritone of Clever Girl, and now Holly joins our coaching lineup! Holly lives about 45 minutes away and will make the drive north in early March 2026 to share her knowledge of “emotional performance,” among other topics.

Speaking of coaches, **Donna Smith** from OK City Chorus spent a full Saturday with us in mid-August. Donna helped create visual moves for one of our show tunes and gave us fantastic tips to increase our performance levels.

And, more coaching: **Patty Cobb Baker** returned the following week to provide every chorus member with a PVI. Patty brings the “personal” to Personal Vocal Instruction to help us individually on our singing journeys. Some members seek more self-confidence; others want to get over medical hurdles that affect their voice. Several simply need validation that they’re “doing it right” – whatever their individual “It” is. These quarterly sessions with Patty help us become the best singers we can be.

The Sunday of Labor Day weekend, Chisholm Trail had two performances in Hamilton, Texas, where member **Amanda Thompson** and her family live. The first was at a skilled nursing facility to entertain Amanda’s grandmother and other residents. We then went to a private residence to perform for guests at an annual gathering of Amanda’s relatives, neighbors and friends. It has become a fun tradition for our chorus, complete with a home-cooked Chinese meal afterward!

**September** – Two extraordinary activities took place this month. First, chorus President **Micheala Poindexter** and her husband Brant welcomed their first baby (and Chisholm Trail’s first baby!) Mom and baby boy Lachlan [see photo] are healthy and finding balance in their new family dynamic. Micheala plans to return to rehearsals in a few months and bring Lachlan with her to hear his first barbershop chords. They are a musical family – Micheala has been a public school music and choir teacher and her husband is band director at a Central Texas high school. There’s no doubt their son will have a few musical skills of his own!

In addition, we launched our first **Open Audition** event on Sept 27, modeled after **Texas Harmony Chorus’** successful program. THC has generously shared the details of how its membership grew by more than 40% with Open Auditions. We purchased advertising on Facebook and Instagram, which drove many people to our website. Chisholm Trail is hopeful that many of the 10 auditioners will convert to fulltime members.

Phyllis King and Sheila Donahue were joined by Denise Tazumi and Patti Britz-Stensaker of Regale to tour SAI headquarters in Tulsa. They were cleverly photobombed by Clever Girl Quartet!

**October and November** – Chisholm Trail Chorus will be hyper-focused on our Fall Show repertoire. Our show will be held on Nov 22 at the Temple Civic Theatre. Keep an eye on our FB page and website for more details.

# BATON ROUGE CHORUS

*Is it Fall already? Time sure flies when you're having fun!  
And Baton Rouge Chorus has been having lots of fun!*

We had the final performance of our Adventure Trip package on August 19th for an audience of over 200 at the Istrouma Baptist Seniors Luncheon. They were a fabulous audience and have invited us back!

LSU's continuing education program for ages 50+ is called OLLI (Osher Lifetime Learning Institute). We have been participating in their program by offering a series of classes on singing barbershop. **Sherry, Gloria, and Emily** manned our booth at the kickoff meeting in August. We have five ladies signed up and taking our classes this fall. It's another good way to spread the word about Sweet Adelines!

Our very favorite activity is to welcome a new member and **Sarah** is going to be a terrific one! She sings tenor and brings that shot of youth to the chorus that is so invigorating. You just never know where you might find a future member. Sarah is a college student and current member's dog walker who loves to sing and misses being in a choir. Now to get about 50 more just like her!

We had such an exciting experience in April singing at the Lincoln Center in NYC! We realized that a lot of the songs already in our repertoire were sung on a Broadway stage at one time or another. So we put together a program called Broadway Barbershop and have had a great time sharing it with the community. We also carried the Broadway opening night theme into a guest night which resulted in sixteen ladies walking the red carpet to check us out! We are hopeful that a few of those guests will want to become members!

Speaking of New York City, we recently received an invitation to participate in the first ever Holiday Concert of the all acapella *Total Vocal!* It will be before Thanksgiving at Carnegie Hall in 2026. There is a lot to consider before we make the commitment, but we are honored to have been asked!

We have a full plate of performances moving into this holiday season. But we're most excited about a collaboration with the Louisiana Arts and Science Museum to put on a show under the stars inside the planetarium! They are celebrating 100 years of the Baton Rouge train depot where the planetarium is located, so we're calling the show "Christmas Express" and it's going to be magical! LASM will be promoting our show as a part of their Coca-Cola sponsored series.

*Full steam ahead!*

# LONE STAR CHORUS

*Lone Star is raising money, singing in the community and welcoming new members*

In July, Lone Star Chorus ran its second HundredX campaign and raised more money than last year! We coordinated a karaoke night during the event to help promote the fundraiser and give people a chance to fill out even more surveys.

In August, we did a sing out at Trinity Terrace, a local retirement community. Our own **Janice Moran** ran a Pampered Chef party to raise funds for our chorus. We joined *Note-ably North Texas Chorus*, region 25, singing at their ice cream social, and sang “That’s What Friends Are For” together! Two of our members attended the Jurassic Chords event in Tulsa OK and were rapturous about the quality of education presented by **Clever Girl Quartet**. Our own *Vocal Velvet* quartet competed in “The Great North Texas Novice Quartet Contest” hosted by **Goodtimes Chorus** (BHS) and took second place.

This September, several of our members attended the *Serenade Quartet* concert and their **Spotlight on Harmony** event hosted by Note-ably North Texas Chorus.

We are cranking out the spooky and putting together a line-up of ghostly music for October sing outs.

Best of all, Lone Star Chorus has voted in two new chorus members; welcome to **Robyn** and **Shana**!

We are looking forward to gearing up for the holiday season!

# ALAMO METRO CHORUS

*Can you believe we are less than one month away from International?*

Hello friends!

We had a busy and very productive summer getting ready for the big show! The last few months have been filled with activities; section duet rehearsals, early choreography and costume checks to name a few. We also held a special four-week education series in which each section taught about a different judging category. These were very informative and entertaining!

In August we had our pre-contest retreat which we named “*Recharge*”. Our coaches for the weekend were Visual Communications judge **Judy Pozsgay** and Expression judge **Lea Beverley**. This dynamic duo really brought out the best in us and helped us rise to new heights! We had a fun Saturday night show which highlighted the many hidden talents of our members. The acts featured an accordion solo, a ukulele duet, hula dancer, tap dancing “Queen Mum” and a webcast hosted by two “Queens of Harmony” and last but not least, a **Ryan Heller** impersonator!!! We celebrated the real Ryan’s birthday with cake and a card shower. In the midst of all our contest preparations, we were thrilled to welcome our newest member, **Cathy Steves** to our fabulous lead section! Many of our members came out to support our **two** International quartet competitors at their fund raiser show.

We are so proud of **Essence** and **Saving Grace** and can’t wait to cheer them on! Our last extra rehearsal was an all day with our very own coach extraordinaire. We fine tuned our contest set and had one last costume check. This week we are looking forward to our “Friends and family” send off. We love performing for our biggest

supporters!! Then a few more rehearsals and we are off to Columbus!!! We can’t wait to share the stage with our Region 10 sisters **Crescent City Sound** and **Houston Horizon**!! What a wonderful representation from Region 10!!!!

**KVE** is keeping busy with a full rehearsal schedule and having new members join and become friends!

Our interim director **Steve Bayless** has been whipping KVE into shape, focusing on intense, but fun warmups, and often apologizing for having us sing just one song for two hours! We assure him that is the director's prerogative!

It was thrilling to have a debut performance at a benefit concert in Boerne, Texas, for *Essence* and *Saving Grace* quartets. No doubt that they'll be awesome at the international contest in Columbus! We wish them all the best!

We also had the great pleasure to perform at the **Harmony Belles Fall Spectacular** concert in San Antonio. They shared beautiful music and featured *The Ladies* quartet! Yes, it was an awesomely busy September for us.

We look forward to seeing many of our regional friends in January, at the Winter Workshop with **Caitlin Castelino**!

# HOUSTON HORIZON CHORUS

*Oof, it's been a HOT summer in Houston!*

Thankfully we had lots of activities to help us keep cool.

We beat the heat with sweet treats and sweeter harmonies at *One of Those Songs*, our Ice Cream Social Summer Show on July 27! Our audience enjoyed our chill tunes, and the guest appearances from **Mixfits** and **Essence!** Between the music, festive decorations, and sweet ice cream treats, the day was a perfect blend of joy and community spirit. We're thrilled to share some photos from the day and can't wait to celebrate National Ice Cream Day again next year.

Pics from our summer show

We launched August with a weekend chorus retreat, gearing up and shifting into focus mode to prepare our contest package for the Sweet Adelines International Convention in Columbus, Ohio, alongside **Patrick McAlexander!** The retreat was filled with enjoyable physical warm-ups, innovative singing techniques, and quality bonding time with our chorus family. And we certainly can't overlook the late-night s'mores and beauty routines! Choruses that hydrate together, excel together!

By the retreat's conclusion, we emerged not only prepared but also inspired, united, and ready to dazzle on stage in Columbus!

Scan this QR code to see how much fun we had at our Retreat!

Fun at Retreat!

We've been having a wonderful time singing in the community this summer! This year, we aimed to enhance our outreach efforts and have already performed during the summer at *St. Dominic Village Houston* and *The Tradition Woodway Assisted Living*. Music has the incredible ability to elevate spirits, and we truly enjoy spreading the joy of music with the residents at these two centers.

We're thrilled to unveil our upcoming *Send-Off Show* before we head off to compete in Columbus, Ohio! Join us for "*Aiming High In Ohio*" on Sunday, October 12, at 2:30 PM, hosted at Pines Presbyterian Church. We can't wait to share a sneak peek of our contest set with our family, friends, and supporters. Admission is FREE, so we would love for you to join us!

In addition to our contest set, we'll feature a variety of songs that are sure to entertain and inspire. Whether you're a long-time supporter or new to our performances, there's something for everyone to enjoy. We hope to see some of the Region 10 community there!

# A CAPPELLA UNLIMITED

*New challenges, opportunities and members!*

June came with our first challenge...our regular rehearsal location would not be available to us over the summer months. *Waaaaah!* We frantically searched for a temporary location to hold our Monday evening rehearsals with little luck. Enter our guardian angel and new director **Madison Shortes**. Her husband is in seminary studies at Texas State and he was able to secure Texas State's United Campus Ministry's Sanctuary as a temporary location. *Whew!* Thank You **Austin Shortes!!!**

Madison jumped right into rehearsals, going through songs in our repertoire to see where we are on them. For years we have kicked off the Hays County Veterans Day Parade in November so we began working on our patriotic repertoire.

On July 21 we performed for the residents of Querencia at Barton Creek, a retirement community. What a great audience! It was Madison's first outing with us and it was a hit with the residents. We met a former Sweet Adeline front-line director, **Genevieve Williams**, who directed Arkansas based Crystal Chimes Chorus for 30 years. She thoroughly enjoyed reliving her

Au performing for residents of Querencia

barbershop memories and we enjoyed her enthusiasm. Our 5th Place Medalist quartet **Better Than BeFour** had sung for her 95th birthday a couple weeks prior to our performance.

In August, A Cappella Texas a local BHS mixed chorus, contacted us to begin discussions about a joint holiday show. We are getting our ducks in a row and planning a fun matinee performance for our mutual audiences. We're looking forward to continued collaboration with ATX.

Better Than BeFour members Kadi Conklin, Laura DeAngelo, Melonie Mills and Kathy Wilson reunited with Genevieve Williams at Au's performance

We hosted a guest night on September 8 and were excited to see 11 guests join us. We introduced them to barbershop and Au, and our upcoming community chorus rehearsals and performances where they would be invited to sing with us. Our membership chair **Kyong Hee Chee** did an awesome job of welcoming the guests, and providing music and information about the chorus. Several of them are coming back each week to be part of our upcoming holiday performances.

In September we also welcomed **Melissa Harvey** as our newest member! Melissa was born and raised in Corpus Christi, Texas, and attended college at Texas Lutheran University majoring in Political Science. She works in the State Attorney General's office. Melissa grew up in a musical family that sang hymns in three-part harmony every Sunday. She sang in choirs from middle school through college. She says, "Music has

always been my happy place, and I realized recently that I really missed singing. "Adding my voice to a wonderful group like A Cappella Unlimited feels like a great opportunity to get back to doing something I enjoy with a group of people who have the same love and passion for music."

We're glad she found us over the summer.

*Have a wonderful fall y'all!*

A very successful Guest Night crowd. Jacob Bankston, new director of A Cappella Texas joined us. He's taking the picture.
