PRINT SIZING INFORMATION

When ordering onstage chorus photos, we suggest choosing a more rectangular print size to accommodate the width of the stage. A black bar will be added above and below the image to make the group fit. See the example below:

8 X 18

8 X 10

LOGO NOTE – Images are cropped to highlight the people as much as possible, while trying to include the Sweet Adelines logo. On longer prints, the logo might be cut off or cropped out due to chorus size and layout. If you'd rather keep the logo visible—even if it makes the people appear smaller—please let us know on the form. We'll do our best to accommodate your preference.
