WHO IS TARGET HUNGER?

The mission of Target Hunger is to alleviate hunger and its root causes in the Houston neighborhoods we serve. Our vision is a Houston where no one goes hungry.

Since 1989, Target Hunger has been on the front lines of hunger every day with its **Food Assistance, Social Service Navigation, and Disaster Response Programs**. We are one of Houston's largest non-profit organizations providing direct food assistance to food insecure children, families, and seniors who face the risk of going hungry every day.
