

Lyric Choices

I Wish I Had My Old Pal Back Again

Roaming around new loves I found
Thought they could help me forget
But I confess, each new caress
Filled me much more with regret.
From the best pal I had I strayed away
And how I regret it today.
I wish I had my old pal back again
I miss him more than ever now.
Though we drifted apart, there's a place in my heart
Just for him – oh how I love him; I can't live without him
I wish I had my old pal back again

When I Lost You

I lost the sunshine and roses,
I lost the heavens of blue.
I lost the beautiful rainbow,
I lost the morning dew.
I lost the angel who gave me sunshine the whole winter through.
I lost the gladness that turned into sadness when I lost you.

Forgive Me

What can I do or say to you?
I know exactly how you feel
I've hurt you so; I'm wrong I know,
Please listen dear to my appeal.
Forgive me, please forgive me
I didn't mean to make you cry

Young & Foolish

What were we dreaming of the night we fell in love?
I wish that we were young once again.
We were young and foolish,
Why is it wrong to be so young and foolish?
We haven't long to be.
Soon enough the carefree days, the sunlit days go by,
Soon enough the bluebirds have to fly
We were young and foolish
One day we fell in love

O How I Miss You Tonight

O how I miss you tonight
Miss you while lights are low
O how I miss you tonight
More than you'll ever know
Each moment though we're apart
You're never out of my heart
My poor heart is aching, please keep it from breaking
O pal, how I miss you tonight
